

Product: **BitePRO® Bite Resistant Leg Guards**

Model #: **200200**

BitePRO® Bite Resistant Leg Guards are manufactured using our ground-breaking bite resistant fabric, that reduces the risk of human teeth from penetrating the wearer's skin.

This particular model incorporates specially engineered impact absorbing foam which reduces the pain, bruising and blunt force trauma associated with challenging behaviour injuries.

Features & Benefits

- ✓ Excellent bite protection for the lower part of the body
- ✓ Sold in pairs
- ✓ Overtly worn
- ✓ Impact absorbing foam to lower leg area
- ✓ Adjustable cord and elastic fastening to top
- ✓ 100% Latex free
- ✓ Zip fastening for quick application and removal
- ✓ Can be layered with BitePRO® Long Johns
